YOUR PARTICIPATION

in the SASH Stepping Up Awareness - 5K Run will benefit the Volunteer Services Council of the San Antonio State Hospital. Your support will go a long way toward raising funds to improve the quality of life and enhance the well-being of patients receiving treatment at the San Antonio State Hospital, by providing goods and services not funded through traditional state funding.

*Don't miss the beautiful views of the newly completed hospital and a glimpse of the Tower of the Americas. This is the **ONLY** time of the year that the hospital grounds are open for runners and walkers to enjoy the scenery and the historical hospital grounds.*
